Vienna Rib & Jazz Festival

Two years of festivals have passed and the attendance continues to grow. Quadrupling crowds, great entertainment help to provide a great event with a no charge admission and this year will be no exception.

Chocolate Jazz Foundation, a non-profit organization, and the City of Vienna, are proud to present the **Vienna Rib & Jazz Festival** being held September 19th, at Spencer Park from 12:30 – 10:00 p.m.

We have invited Rib Pit Masters who compete on a national level to provide their prizewinning food and this festival will include a high level of entertainment by nationally known artist.

Most importantly, this festival not only provides a cultural experience to our communities, but helps the foundation to continue providing benefits to music education and arts in our community.

Artist include:

Otis Cochran and Band, Athens, OH 1:00 pm

Kevin Howard Band, Pittsburg, PA 2:30 pm

Lebron Phoenix, AZ 4:30

Wells Vienna, WV 6:30

Fritzen, Switzerland 8:30

TELEPHONE SCAM

Vienna residents should be aware that citizens have been receiving phone calls from parties identifying themselves as the IRS (Internal Revenue Service) from various states in the United States, and indicating that they will be sued or attested if calls are not returned. **DO NOT** give any of your personal information to anyone calling who identifies themselves as the IRS, or asking for a return call. **The IRS DOES NOT** make phone calls. These calls are intimidating, but not legitimate and are being identified as a scam.

Are your street lights out?

Call Linda Kern at the City Building
The city pays Mon Power to keep those lights lit!!! 304-295-5070 ext. 329

DON'T LEAVE YOUR FURRY FRIENDS IN THE CAR!!

On a hot day, cars can reach 120°F in just a few minutes. Cracking your windows doesn't stop the heat from increasing. Dogs can succumb to heatstroke even when the car is in the shade. Leaving the air conditioning on and the car running does not guarantee your dog's safety. Not only could the air conditioning break, but you run the risk of noxious fumes building up.

HELP PREVENT WATER POLLUTION!
Please sweep up grass clippings and other yard waste instead of washing them down the driveway or into the storm drains. Grass blown into the streets from your mower needs to be swept up as well.

Water and Sewer Utility Fees

Beginning July 1, 2015, the deposit for new utility service in Vienna will be \$100. (\$50 for Water and \$50 for Sewer).

There will also be a fee change for termination of service for non-payment of utility bills: \$25 to disconnect service and an additional \$25 to restore service following the payment of past due bills.

A NOTE FROM OUR FIRE DEPARTMENT
Please call 911 for ALL emergencies! Being a volunteer fire department, there may not be anyone available to answer the phones after regular business hours. The non-emergency numbers listed in the phone book and website are for Mon-Friday 8:00-4:30.

REMEMBER

Legal burn days are the first Friday and Saturday of the month from 10 am to 4 pm (may not be consecutive days).

You are only allowed to burn vegetation grown on YOUR property. The fire cannot be unattended. You are responsible for any damages done by burning. If you want to burn other than the authorized burn days, you must obtain a permit from the Fire Dept. Mon-Fri 8pm-4:30 pm. With the special permit, you can only have SMALL cooking/warming fires. This permit shall be obtained even if you have a special made burn pit or a manufactured covered burn stove.

Watch for smoldering fires in your decorative mulch landscaping! Keep mulch beds as moist as possible. Do not throw cigarettes in mulch. The deeper the mulch is the more risk of fire. Provide at least an 18 inch clearance between landscaping beds and combustible building materials.

Vienna's Lions Club is here to help!!

The Vienna Lions Club is demonstrating its "new and improved" support for Vienna- even winning the Lions' local district's Activity Contest for last year!!!! We haven't done that since 1970! We did it with a vigorous activity schedule, emphasizing support for the City of Vienna and the help of our steadfast members and several new members. Of course, to keep these efforts going, we would like you to join us in one of our twice-monthly meetings, including dinner, on the first and third Tuesday of each month at the Community Building on 34th St, at 6:30 pm.

All donations and sales come from the hard work of our members in a variety of activities. Some of our funds are used for qualified Vienna residents needing eye exams and glasses. All fund raising events are used for charitable needs. – NONE is used for club administration. Contact Gene Poole 295-8740, Bob High 615-2123, or Carl Tanner 295-8681 for more information.
