Vienna During the COVID-19 Pandemic

This has been a difficult six months for all of us. Life, as we know it, has been turned upside down. I hope you and your family have been healthy and safe.

The City has tried to maintain all the services you expect. We have limited access to meetings due to the Governor's mandates. The Community Building and shelters are on similar restrictions. Wearing masks and social distancing are necessary to keep us safe.

The City of Vienna is weathering the storm of COVID-19. In March, we implemented spending policies that enabled the city to end the year very well. Along with other cities and counties we were encouraged to and applied for the CARES Act funding. Within the month we should be unveiling a small business relief fund for our small businesses who have been affected. Our city finances rely heavily on retail businesses. We are limiting the number of streets we pave this year.

Our Senior Center has been closed for several months. Please call a senior and check in to make sure they are doing well. The Senior Center will reopen as soon as it is safe.

Vienna is blessed with good families and great friends. Please do what you can to keep us all safe.

Together, we will get through this!

Mayor Randy Rapp

The US Census Bureau has made the decision to move up the deadline for responding to the Census by a full month – from October 31st to September 30th. This change hurts West Virginia and hinders our efforts to paint an accurate portrait of our population. West Virginia desperately needs your help. Please share this information with your neighbors and friends and encourage them to respond to the 2020 Census.

Right now, our state has one of the lowest 2020 Census response rates in the country. Only 55.1% of West Virginians have responded to the census, which means that we will lose out on billions of dollars in federal funding. Every individual person in West Virginia who does not respond to the Census equates to \$20,000 in federal funds West Virginia and our communities will lose over the next ten years. If 100 West Virginians don't respond, that's \$2 million lost in federal funds to West Virginia. **We simply cannot afford that.**

Grand Central Paving Project

The paving project will be underway through October 1st, 2020. Sidewalk repairs will be made prior to street paving. Please be patient and drive safely.

It's going to be worth it!!

MINOR HOME REPAIR PROGRAM

The City of Vienna, through the Federal Community Development Block Grant Program, is continuing to receive applications for minor home repairs and window/door replacement. Residents of Vienna must own their own home and meet income eligibility requirements. To apply for the program or request more information call the Vienna City building at **304-295-5070, Ext. 335.**

Income levels are as follows:

1 Person: \$35,500	5 Persons: \$54,800
2 Persons: \$40,600	6 Persons: \$58,850
3 Persons: 45,650	7 Persons: \$62,900
4 Persons: \$50,700	8 Persons: \$66,950

Reminders from Our Fire Department

Get your fireplaces and chimneys checked and cleaned by a certified technician before the season starts. Don't wait until the last minute or even worse, not getting them checked at all. Legal burn days in the city are the first Friday and Saturday of the month from 10 am-4 pm. Burn vegetation grown on your property only. Also, if you have a fire hydrant in your yard please keep it clear and accessible. Don't have fences, landscaping, or other obstacles blocking it from view or use. Remember, that could be YOUR house on fire and the Fire Dept. may not be able to get to the hydrant!
